

## New Special Service for Intel Partner Alliance & ASBIS Assist Pro Customers! Effortless Points-to-Voucher Conversion

We are excited to introduce our new ASBIS Assist Pro Points Redemption Service, making it easier than ever to convert your Intel Points into ASBIS vouchers.

### How It Works:

- 1. Email Your Request:** Send an email from your IPA account admin to [assist.pro@asbis.com](mailto:assist.pro@asbis.com), specifying the number of points you want to redeem (minimum 2,500 points per transaction).
- 2. We Handle the Rest:** We will redeem the points on your behalf.
- 3. Receive Your Vouchers:** Requests are processed weekly. You'll receive an email with your ASBIS voucher codes once the redemption is complete.

Take advantage of this hassle-free service and enjoy your rewards effortlessly!
